

Dear Hiring Committee,

My name is Quiara Abellera, and I am an Australian citizen who has recently graduated from TESOL Australia with an International TESOL certificate in teaching English as a second language with for specialized areas; Teaching Children, Adults, Business and Online English.

I am currently looking for a teaching position for Online English. I'm certain in my ability to become the most dedicated English teacher. I have had experience in teaching through volunteer work where I teach strangers and individuals of various ages, from young to old about the laws and principles found in the Bible. To enhance our skills as Bible teachers, we have schools and programs weekly that help us become effective teachers. Additionally, I provide unpaid private tutoring for a friend who's eager to learn my mother tongue, Tagalog. Hence, I believe that my experience as a volunteer and tutor, along with my TESOL certificate, provides me with what I need to be a patient, friendly and a highly organized teacher to my English students.

I am open to teaching any age group and in any other areas. Please email me at your earliest convenience if you would like to set up a video conference interview. Thank you for your time and consideration, and I look forward to hearing from you soon.

Sincerely,

Quiara Abellera
