Teaching Background

I have been selected as a substitute for Fulbright grant "Programa de asistentes de Idioma". It is a grant for Argentinian English Teacher for the years 2023-2024 (August 2023 to May 2024). The mission of the Fulbright Commission is to promote mutual understanding through Education, teaching and training and cultural exchange between Argentina and the United States.

It has been an honour for me that such well-known fund has seen me as a qualified candidate for the grant.
